Passed unanimously.

BOARD MEMBER REPORTS

DIRECTOR'S REPORT

MaryKay attended the Public Library Association Conference in Portland, OR from March 22nd through March 25th.

MaryKay attended the Special Districts Association of Oregon Board meeting at the Oregon Garden Resort April 6th and 7th.

The following meetings were held to discuss the recently adopted funding formula:

- MaryKay met with Waldport City Manager, Dann Cutter and Waldport Public Library Director, Sue Bennett on March 29, 2022.
- MaryKay made a presentation to the Toledo City Council on Wednesday April 6, 2022
- MaryKay is scheduled to make a presentation to the City Council of Lincoln City on April 11, 2022.

We have signed our contract with Sylvia Moreno-Garcia, author of *Mexican Gothic*, for two Lincoln County Reads 2022 programs on October 16, 2022. LCLD will contribute \$1,000 and the other libraries will each contribute to cover the \$7,000 cost.

LCLD is in the second year of our 2021-2023 biennial budget so we are not going through the budget process this spring.

MaryKay will be on vacation April 22-25, 2022.

FINANCIAL REPORT

Everything is on track. There was a discussion of where we get our health insurance, Special Districts Insurance Services. Carla moved and Virginia seconded approval of the financial report. Passed unanimously.

OLD BUSINESS

Building Purchase Update

MaryKay spoke with David Ulbricht from SDAO and he is working with several financial institutions on obtaining financing for the building purchase. She is also keeping Ron Cole, building owner, up to date on progress.

Funding Formula Update

Was covered in Director's Report. Newport city manager wants to have a meeting with MaryKay, Laura Kimberly, and LCLD Board members on May 3, 2022 at 11:00 a.m. at the city manager's office. MaryKay will send an email message to board members about the meeting.

ILS Feasibility Study Update

The survey results has been included in the packet. Carson Block, our consultant, will be doing two focus groups in early June. One in Lincoln City and one in Port Orford so everyone on the committee will be able to attend. His report will be produced by the end of July, which is when we have to have the project completed for our LSTA grant requirements.

NEW BUSINESS

Intergovernmental Agreement With Cities

Included in packets is a draft intergovernmental agreement which was created last year. It does not have a lot of detail and during our funding formula discussions there were references to items that needed to be included in the IGA. MaryKay asked the Board to brainstorm items that should be included:

- Cities can't reduce funding because of LCLD funding
- Income from LCLD needs to be a separate line item in city budget
- Annual plan and report from the library
- Library portion of city audit, public library statistics, budget from city/library
- Money distribution is contingent upon LCLD receiving required reports from the city/library

Carla suggested that there be some way to address an issue before we get to Section 2. Level of Service; Deficiency Procedure. Regular check-ins for example.

GOOD OF THE ORDER

NEXT DISTRICT BOARD MEETING

The next regular meeting will be held on May 10, 2022, at noon.

ADJOURNMENT

Meeting adjourned at 12:40 p.m.

Library Directors Report May 2022

General Updates

MaryKay was one of three judges for the Waldport Public Library Young Writers Competition 2022. There were 26 entries and prizes (provided by the Waldport Public Library Friends) were awarded at the Library on April 28, 2022.

MaryKay and Jane helped Newport Public Library staff on April 15, 2022, move the children's area into the meeting room so repairs can be made to the building.

LCLD is in the second year of our 2021-2023 biennial budget so we are not going through the budget process this spring.

MaryKay was on vacation April 22-25, 2022.

LCLD was invited to participate with our business neighbors, Simply Design Studios and Camp One Coffee, in a parking lot carnival during the Newport Loyalty Days Parade on May 7th. We will have a table with giveaways and materials for children to make bookmarks.

QUESTIONS

1. Why are you interested in serving on the Lincoln County Library District Board?

There are two big reasons I am interested in being on the board:
I am a firm believer in free and accessible libraries. Libraries are one of the cornerstones of a community and thus the need to keep them vital is important to me. I have recently moved back to Lincoln County and am eager to connect with and serve the people of the county.

2. Describe past experiences or positions held that would assist you as a board member.

I was on the Lincoln County Library Board from 1991 to 1995. I am a regular and steady library user in every community I have lived. Through the years, I have volunteered at libraries for special events, such book sales and have run summer youth reading programs.

Lincoln County Library District Board Member Application Zone 5

Appointed Term: May 2022 through Jun 2023

3. In your opinion, what is the most important role of a board member?

The most important role is to represent the constituents of the community, as well as abide by the bylaws and mission statement of the board.

4. At the end of your board term, what would you view as a “successful” experience?

If the local communities of Yachats and Waldport would join the library district and offer the same quality of service that other communities enjoy, I would feel that my time as a board member was well-spent.

5. In library and business organizations today, there is a strong movement towards fostering a culture based on principles of Equity, Diversity, and Inclusion (EDI). How valuable is it for the library to have a commitment to EDI?

A library is by nature a sanctuary for all community members. It is imperative that it embraces EDI principles; without this commitment, a library cannot serve its diverse constituents.

What role might a board member have in regards to EDI?

As a board member, it is one’s duty to uphold EDI principles and, if one is made aware of issues and concerns that have led away from these principles, to help address these problems and find solutions.

6. If you were given the opportunity, resources and authority to change the entire library world, what would you do? Dream big.

I have lived in several countries outside the US, which has made me realize how fortunate we are in this country to have free and accessible libraries. There were many countries where a library was not available to the general public and the absence was strongly felt.

There is not much I would want to change in our library system, however, if I could, I would ensure that all libraries have adequate funding to meet their needs. I am sure that the work of library managers would be a great deal less stressful if they did not need to worry about funding.

It is impressive how many creative ways have been found to deliver reading/learning material to the public. The little free libraries that have popped up in so many communities, book mobiles that deliver to rural areas (I lived in such a town for several years and loved their services), all the online opportunities that are available – these services add such richness to what a traditional library is all about. It would enhance library experiences for people if more creative ideas were able to be implemented. While libraries reach a large audience, there is still a greater audience that is not served and it would benefit society as a whole if this element of the population were introduced to and then saw the value in libraries. And much of this sort of opportunity to enhance library usage is stymied by lack of funding and capacity of librarians.

Application for Library Board Position Zone 5

I am interested in filling the vacant zone 5 position on the Lincoln County Library Board. As a resident of Lincoln County and an avid reader and library user, I would like to offer my services to the Board.

I moved to the Yachats area in 1986 and lived here until 2014, working as a teacher at Angell Job Corps Civilian Conservation Center, a few years as the coordinator for the Yachats Commons and homeschooling my two children. In 2014, I moved to eastern Oregon to work as the partnership coordinator for the Malheur National Forest and then later moved to the Olympic Peninsula where I was public affairs officer for the Olympic National Forest. I retired in 2021 and moved back to my home outside of Yachats.

Volunteering is an important part of staying connected and giving to one's community. In 1991, I was elected to the Lincoln County Library Board and served until 1996. Through the years, I volunteered at Newport High School in various capacities, as well as with the Yachats Youth and Family Activities Program. In John Day I was on the board of the Kam Wah Chung Museum and president of the community garden. In Hoodspport, WA, I was a volunteer for a local highway cleanup group and volunteered with the Olympic National Park.

Please consider me for this position on the board. It would be an honor to serve my community in this important role.

If you require additional information, please don't hesitate to contact me.
