

Lincoln County Library District Strategic Plan 2025-29

Mission

The Lincoln County Library District ensures that excellent library services are accessible for all residents.

Vision

We envision collaborative and innovative library services that connect all the residents of Lincoln County.

Values

The Lincoln County Library District (LCLD):

- Believes libraries are an essential cornerstone of our coastal communities
- Provides supportive leadership to staff, libraries, and partners
- Operates from the district's voter-authorized purpose of providing excellent library service
- Facilitates the challenges and opportunities of change
- Engages with community to strengthen libraries
- Empowers and nurtures professional staff development

The Lincoln County Library District (LCLD) believes that libraries are an essential cornerstone of our coastal communities and as such, operates from the following values:

- Commitment
- Communication
- Flexibility
- Innovation
- Learning
- Relationships
- Service
- Stewardship

Goals

1. Advocacy and Leadership - The LCLD is committed to being a strong library leader, advocating for library services, and empowering library staff members as they provide vital library services for their community.
2. Connection and Inclusion - The LCLD continues to build connections between libraries, their communities, and potential partners to ensure that all libraries of any size have the chance to provide equitable services.
3. Resilience and the Future - The LCLD Board commits to staying relevant, up-to-date, and pro-active in the face of change.
